

Future Kids Preschool Te Rapa Registered Teacher will demonstrate a respectful and caring teaching philosophy; be experienced in self-review, programme planning and documenting children's learning; a strong communicator (both written and verbal) along with being a team player.

Future Kids environmental philosophy incorporates fun learning through animals, recycling, gardening and environmental activities

Must love our earth and all it holds, be committed to authentic 'real play' in natural settings, and have an excellent understanding of childrens unique nature and needs.

Working in a large indoor and outdoor space with a 'family' of teachers in a very supportive environment. Provisionally registered teachers will have access to a mentor and full support and PLD to obtain registration. You must have a wonderful sense of humour, a positive 'can do' attitude, and be great at relationships

Key parts of the job are wearing gumboots and playing in the mud; being observant and able to play; planning to enhance learning; teaching with style, flair and panache; maximising our unique learning environment;

We believe in an all-inclusive culture that provides a platform for our staff to succeed and grow. If your passion is in adding value to children and their experiences, then we will be a great fit. Supportive management team who place value on staff development.

Must have full or provisional registration.
